

IP EXCLUSIVE SP 5W30

IP EXCLUSIVE SP ULTRA FULL SYNTHETIC SP/GF-6A PASSENGER CAR ENGINE OILS are specially formulated using synthetic base oils and high-performance additive packages for superior performance benefits over conventional engine oils meet the most demanding lubrication requirements of today's naturally aspirated, turbocharged, direct-injected, gasoline-fueled and flex-fueled engines. These oils are **ILSAC GF-6A** level, **fully backwards compatible to GF-5** and earlier levels, have been engineered to meet the latest specifications of Ford Motor Company for protection from LSPI events and are API "Resource Conserving" for improved fuel economy.

CHARACTERISTICS (TYPICAL FIGURES)

EXCLUSIVE SP 5W30

Density at 15/4°C	ASTM D 1298	kg/l	0.855
Viscosity at 100°C	ASTM D 445	mm ² /s	10,2
Viscosity at 40°C	ASTM D 445	mm ² /s	57,7
Viscosity at -35°C	ASTM D 2983	cP	5900
Viscosity Index	ASTM D 2270	-	166
Flash Point o.c.	ASTM D 92	°C	210
Pour Point	ASTM D 97	°C	-40

MAIN PROPERTIES

- have excellent oxidation stability for long lubricant life
- low-temperature protection from cold start wear, low volatility for reduced oil consumption, and
- increased resistance to viscosity breakdown. They are specifically designed to inhibit incidents of LSPI (low-speed pre-ignition), a combustion event that can cause premature wear or catastrophic failure.

The manufacturing and packaging and marketing of lubricants api anonima petroli italiana SpA working with the Quality System conforms to the standard: UNI EN ISO 9001: 2008 certified by Bureau Veritas .

The information contained in this data sheet shall be written to the best of knowledge of the supplier at the time of the review.

They are purely informational and technological require proper use of the product. Do not bind the company's liability for any damage resulting from the use of incorrect product. The user has the obligation to evaluate and use the product described above, securely and in accordance with all applicable laws and / or regulations.

This product should not be used in applications other than as provided in this sheet.

Based on available information, this product has no harmful effects to health when used for its intended use and following the information / recommendations described in "Material Safety Data Sheet" available at our premises. Sales Network. Dispose of exhausted and empty packaging in accordance with the law.
